West Lake NRRB Final Consultation.docx

;

Dan,

9 am works for us. We will have a van and can pick you up at the airport if you would prefer not to get a rental car and get an earlier start.

Prior to the site tour, I think we probably should start with an overview of the various site activities and some discussion about what we would like to accomplish (e.g., moving forward to consider comments raised in the NRRB consultation).
